

# **Sneezy Snowman (Suzy Snowflake)**

Grade 3 Assembly – January 2019

## **Verse 1 (Day and MacKinnon):**

Here comes Sneezy Snowman  
Shivering in the cold  
Gulp, gulp, gulping down his hot cocoa  
This snowman broke the mold!

Here comes Sneezy Snowman  
Dressed in his bright pink hat  
Sneeze, sneeze, sneezing in the winter air  
In the hot tub, there he sat!

A cold winter wind swirled and blew  
“Please could you make me brand new  
I don’t want to be too hot or cold  
I need to feel just right!”

Here comes Sneezy Snowman  
We can all hear him say  
Come out everyone and play with me  
Oh let’s enjoy the day!

## **Verse 2 (Reddekopp and Thurston):**

Let’s put Sneezy Snowman  
Back together again  
I can share with him my cozy scarf  
I’ll be a very good friend!

Sneezy was still unhappy  
Shivering in the breeze  
So he stood beside a crackling fire  
Hidden in the trees!

A cold winter wind swirled and blew  
“Please could you make me brand new  
I don’t want to be too hot or cold  
I need to feel just right!”

Here comes Sneezy Snowman  
We can all hear him say  
Come out everyone and play with me  
Oh let’s enjoy the day!

**Verse 3 (ALL Grade 3 Students):**

We've rebuilt the snowman  
And dressed him in a coat  
Let's find something else to keep him cold  
Ice cream is our vote!

Warm clothes and tasty ice cream  
Sneezy feels just right  
Let's go have some fun – we'll laugh and play  
Until we're out of light.

A cold winter wind swirled and blew  
"Please could you make me brand new  
I don't want to be too hot or cold  
I need to feel just right!"

Here comes Sneezy Snowman  
We can all hear him say  
Come out everyone and play with me  
Oh let's enjoy the day!
